

SEEK TO REOPEN PLANT, SCENE OF BATTLE

Pinball Machines Seized by Tax Agents

About Town

And Country
By TIMOTHY T.

Article Tells of Good Work by Salvation Army

HELP! I got hold of a piece of writing about the Salvation Army the other day, and after reading it I am more convinced than ever that we should open up when the solicitor comes around.

We're right in the midst of a drive for funds right now, and local citizens are volunteering their own good time to go out and help this worthy organization. Don't put them off with a "come back later," but open up the pocket book.

"For Those in Need" is the way the piece is headed, and it says: "They come with a multitude of problems, temporal and spiritual. And they find sympathetic understanding from men and women dedicated in God's Name to helping the troubled, the needy and the unloved." Here are just a few of the ways this work was carried out last year for all who sought help regardless of race or creed:

Realizing that no one can face the future bravely and hopefully when he is cold and hungry, The Army provided 9,431,550 meals for those of all ages. Many meals were absolutely free, some paid a minimum charge if they could pay.

Clean, warm lodgings were supplied to 1,914,638 homeless or transient men and women in Salvation Army institutions.

In 144 youth centers, attendance numbered 2,520,035 as boys and girls were provided spiritual guidance and healthful recreational activities. During the summer, far from hot city streets, 31,826 children swam, fished and romped in the woods at Salvation Army camps.

More than 80,000 persons were influenced to religious decision and confession of faith in Salvation Army meetings conducted during the year. Salvation Army officers and soldiers conducted 92,368 outdoor religious services, and at indoor services attendance numbered 8,785,637.

In prisons, 129,888 convicts were visited by The Salvation Army, given spiritual comfort, and strengthened in the knowledge that, upon parole, they would have friends on the "outside" to help them find jobs and get back to normal living.

Service men and women visited 16 special Salvation Army clubs across the country. Last year the clubs entertained 3,330,000 in their off-duty hours.

In veterans and city hospitals, children's wards and homes for the aged, lassies of the Leagues of Mercy visited 2,043,253 patients at their bedside, bearing words of cheer and comfort of small gifts.

Those are only a few of the things done by The Army. Don't forget that The Army needs your help.

Biggers Reports Good Response to S. A. Fund Drive

Saline County's Salvation Army fund drive is going strong, with all of the committees now carrying out their solicitation. Everyone is responding generously, and the chances of keeping the Army post here are very good, Chairman John W. Biggers announced today.

An outdoor rally scheduled for tonight has been cancelled due to the weather.

Success of this year's drive depends upon the response of the business and residential sections. The business committee should have all of its solicitation completed by Friday, and most of the residential solicitation should be finished by Friday also.

The majority of all workers are to turn in their contributions Friday, and the large thermometer on the courthouse square should show a considerable increase by Saturday morning.

The employees' committee will start its concentrated efforts the first part of next week, and all organization contributions probably will be wound up by the end of next week.

The Eldorado and Carrier Mills campaigns are running ahead of Harrisburg, as the workers in these communities are pushing hard to keep our Salvation Army post in the county. The people of Harrisburg owe much to its neighbors for their sincere efforts, Biggers stated.

The Southeastern Illinois Gas office is the headquarters for the drive.

Strike at 32 Places in Mass Raids in State

Prosecutor Says Tax Evasion Will Bring Further Action

SPRINGFIELD — A federal prosecutor promised today in the wake of lightning-like "pinball" raids in 10 Illinois cities that "continuing violations will bring continuing raids."

Agents of the internal Revenue Department, striking simultaneously at 32 places across central and southern Illinois, Wednesday confiscated pinball machines at 29 taverns and restaurants.

The raids also netted one arrest for bookmaking and four slot machines.

Asst. U. S. Atty. Robert B. Oxtoby would not say flatly there would be more raids. But he said it is estimated there are 1,500 pinball machines being used for gambling in the state.

Each machine used for amusement only requires a \$10 tax stamp. When used for gambling each machine requires a \$250 stamp.

Oxtoby estimated evasion of the gambling tax costs the government \$500,000 a year. He said continued evasion of the \$250 tax would mean continuing raids.

Raid 10 at Springfield

The cities where raids were staged and the number of places hit in each were: Springfield 10; Quincy 3; Taylorville, Pana and Belleville 1 each; Mascoutah 2; East St. Louis 6; National Stockyards 1; Danville 1; and Peoria 3.

A scheduled raid at Cairo did not come off, and no pinball machines were found in one raid at Centralia and one at Peoria.

At Peoria, William S. Chapman, whose pinball machine at the Faust Club was seized, was arrested for accepting wagers on horse races without a \$50 federal wagering stamp.

Four slot machines were seized at East St. Louis.

Oxtoby called newsmen to his office at 1:30 p. m. about an hour before the raids, and kept them there until 2:30 to guard against possible charges of a "leak."

From the window of Oxtoby's office, newsmen watched one of the raids—on the Saddle Club, a tavern and restaurant across the street. Two agents walked into the tavern, talked with the bartender and then locked the place up until a moving van arrived to haul away the seized pinball machine.

Search Warrants Issued

A search warrant was issued for each of the 32 places raided, and each warrant was backed up with an affidavit from an agent who had played the machine, won and been paid off in cash.

In the affidavit with the Saddle Club warrant, the agent told of winning \$31.50.

The raids caused some consternation in Peoria where in at least two places men came around, told about the raids and said they were removing the machines at the order of the owner who placed them in the tavern. Later it turned out the men had removed machines belonging to someone other than their employer.

Oxtoby said "criminal prosecution will doubtless follow" the raids. The penalty for failure to pay the \$250 gambling stamp is a fine of not more than \$10,000 and/or a year in jail.

Oxtoby said evidence collected by agents in the last three-to-four months indicates pinball machines are being used on a large scale and on a "sneak basis" as gambling devices.

U. S. Atty. John S. Stoddard Jr. said he has received many complaints about the machines being placed close to schools where "they apparently have a special appeal" for children.

Creal Springs Resident Dies

Ebby Anderson Barnwell, 71, resident of Creal Springs, died at his home there yesterday at 11 p. m. The body lies at the Cosby funeral home in Creal Springs and funeral plans are incomplete.

Group Endorses Barrett, Powell, Dallman Slate

SPRINGFIELD — A group of seven Democratic state legislators Wednesday endorsed Edward J. Barrett for governor in 1956, Rep. Paul Powell for lieutenant governor and V. Y. Dallman for U. S. senator.

Barrett, former secretary of state, is Cook county clerk. Powell is a former speaker of the Illinois House. Dallman is editor of the Illinois State Register.

Those who voted to support the endorsements, originally made by the Alton Democratic Committee, were Reps. Clyde L. Choate, Anna, Paul A. Ziegler, Carmi, C. R. Ratcliffe, Beardstown, Carl H. Preiss, Pana, Leo Pfeffer, Seymour, Clyde Lee, Mout Vernon, and Powell.

Powell voted for Choate for lieutenant governor instead of himself at the meeting held here and attended by representatives of the Alton group.

Nixon to Fly To Denver to Meet with Ike

DENVER — Vice President Richard M. Nixon will fly to Denver Saturday for a face-to-face bedside conference with President Eisenhower, the temporary White House reported today.

Press Secretary James C. Hagerty said Nixon is making the trip at the President's request. It will be the first direct contact between the vice president and Mr. Eisenhower since the chief executive was stricken with a heart attack almost two weeks ago.

Hagerty said the vice president will fly to Denver in the same plane with Sherman Adams, top presidential assistant; Dr. Dudley White, the famous Boston heart specialist, who is advising on the case, and Maj. John Eisenhower, the President's son.

More Cheerful Attitude

The announcement was regarded as another of the increasing signs that the chief executive is on the road to recovery. The critical period in Mr. Eisenhower's recovery will end this weekend, and the atmosphere around the chief executive was much more cheerful today as medical bulletins continued to report progress in his recovery.

Church Council Expresses Concern Over Anti-Greek Riots

PITTSBURGH — The general board of the National Council of Churches has authorized representations to the State Department and the U. S. State Department delegation to express its "concern" over the condition of Greek residents in Turkey.

In a resolution adopted Wednesday night, the 241-member board took note of the recent anti-Greek riots in Turkish cities expressing "profound shock and deep sorrow that such inhumanity of man to man can occur anywhere."

The board, which represents 30 Protestant and Orthodox communions in the United States with 38 1-2 million members, concludes its two-day meeting here today.

New York Teen Age Youth Charged With Murder in Death of Park Employee

NEW YORK — Police today charged a teen age youth with murder in the slaying of a young park soccer of mothers' employee shot down within earshot of 200 horrified witnesses and arrested three others.

Hiram Rosa, 17, was charged with murder some 10 hours after Frank Gargiulo, 20, was shot fatally in the chest while he performed his duties as attendant at an East Side Park.

"Must Solve" Order

Rosa was booked shortly after police issued a "must solve" order in the slaying which terrorized scores of mothers visiting the park with their children late Wednesday. Many of the women ran screaming from the scene when Gargiulo fell mortally wounded.

The others arrested were David Vargas, 17, charged with felonious assault and possession of a gun; John Barnett, 17, simple assault, and an unidentified 15-year-old boy, charged with juvenile delinquency.

The murder weapon was later found in Vargas' home.

Paul Jacobs, 68, Eldorado, is Killed in Crash

William Jones, 67, And His Brother, J. A. Jones, 74, Hurt

A 68-year-old Eldorado resident was injured fatally and his two companions were injured, one seriously, late yesterday in an auto-truck collision at Route 1 and the Ridgway spur in Gallatin county.

Dead is Paul Jacobs, who resided at the American hotel in Eldorado. Seriously injured was William Jones, 67, of 1913 Illinois Avenue, Eldorado, who is in the Ferrell hospital at Eldorado. His brother, J. A. Jones, 74, suffered a broken arm and was released after receiving treatment.

State Policeman Michael Taggart of Ridgway, who investigated the collision, said all three were in an automobile driven by J. A. Jones which figured in a collision with a truck full of gravel owned by the Morehead Milling Co. of Norris City and driven by Martin A. McCormick, 35, also of Norris City.

Taggart said that the auto had been travelling west on the spur and that the truck was going north on Route 1 when the crash occurred. McCormick suffered only bruises and the three elderly men were taken to the Ferrell hospital by ambulance.

The collision occurred about 3:15 p. m. and Jacobs died in the hospital three hours later. His body was taken to the Bean and Tanner funeral home.

Coroner Elmer M. Gibbons, who made an investigation, announced that an inquest into the death would be held at 6:30 p. m. Friday at the Eldorado city hall.

Many of Mr. Jacobs' relatives lived in Hungary. Besides a daughter, Olga Cornett, living in New York City, he leaves four brothers, Alex Jacobs of Eldorado, and John, Enoch and Gabar Jacobs in Hungary, and a sister, Barbara, also residing in Hungary. He roomed alone at the American hotel, which is at Forest and Benton streets.

Funeral services will be Friday at 10:30 a. m. in the chapel of the Bean and Tanner funeral home. Rev. W. E. Hanagan will officiate and burial will be in Wolf Creek cemetery.

Army Private to Be First Male Officer in Nurse's Corps

NEW YORK (AP)—A 25-year-old Army private becomes the first male officer in the Army Nurse's Corps today when he receives his commission at 1st Army headquarters on Governors Island.

The private is Edward L. T. Lyon of Kings Park, N. Y., a brawny 6-foot, 5-inch former lifeguard who is deadly serious about his professional calling.

"Somebody's got to be the first," he said.

Lyon said he originally wanted to be a doctor but couldn't afford long years in medical school.

Husband Home Too Much, Wife Gets Divorce

SANTA MONICA, Calif. — Mrs. Jeanne Johnson Archer, 28, divorced her husband, an actor known professionally as Archer McDonald, by testifying he stayed home too much.

"He made my life very unhappy because he was home most of the time," Mrs. Archer said Wednesday. "He often had nothing to do but follow me about the house as I did my work."

DEATH CAR driven by J. A. Jones, Eldorado, is shown rammed by gravel truck after collision of the two vehicles at Route 1 and the Ridgway spur about 3:15 p. m. yesterday. The Jones car was coming out of Ridgway and the truck was going north on Route 1. Fatally injured was Paul Jacobs of Eldorado. (H. Bramlet Photo)

GAO Questions Propriety of Bridge Group Payments to Carmi Paper

GAO Report is Made to Special Congress Group

Accounting Office Says Paper Received Unnecessary Mark-Ups

WASHINGTON — The General Accounting Office today questioned the propriety of payments by the White County Bridge Commission to the Carmi, Ill., Publishing Co. Roy Clippinger, manager of the bridge, is also president, editor, and general manager of the publishing company, which publishes several newspapers in Illinois.

The commission operates a toll bridge across the Wabash River from New Harmony, Ind., to White County, Ill.

Congress in the last session set up a special committee, headed by Rep. Winfield K. Denton (D-Ind.) to investigate expenditures by the commission.

In a report to the committee, the GAO said that its examination of the commission's expenditures "disclosed that business between the commission and the Carmi Times was not always conducted on an 'arms-length' basis."

Paper Acts as Middle Man

"In the commission's business relations with various commercial suppliers," the report said, "we observe that the Carmi Times Publishing Co. has frequently acted as a middle man and has obtained unnecessary mark-ups from the commission."

"The commission is so organized as to be fully capable of avoiding payment of these mark-ups by dealing directly with commercial suppliers."

The GAO specifically raised the question of the propriety of commission payments to the publishing company for toll ticket books, pamphlets, and the use of commission property by the publishing company.

It also noted the commission paid Clippinger about \$3,000 a year for traveling expenses since 1950. It said the relationship of some of these trips to bridge business was not always apparent.

Clippinger Defends Actions

In testimony before the committee, taken Wednesday behind closed doors and released today by the special committee, Clippinger defended his actions. He said he saw nothing wrong or improper about the transactions between the commission and his publishing company.

Denton asked if he did not think it presented "an awfully bad picture" to have his private business and his commission duties intermingled the way they were.

"I don't agree with you, no," Clippinger replied.

"You think there is nothing wrong?" Denton asked.

"I think the Bridge Commission got the better part of the bargain," Clippinger said.

The GAO report said three employees of the commission put in at least part of their time working on the business of the Carmi Times Publishing Co.

It said the net effect of this arrangement was that funds of the commission "are being used to

pay salary costs applicable to the Carmi Times Publishing Co. to the extent of about \$8,000 a year."

Price Above Average

It also criticized the purchase of 555,000 copies of two pamphlets by the commission from the Carmi Times Publishing Co. at a cost of \$17.853.

It said the Carmi Times' price for the pamphlets was about \$12,000 above the average of price quotations obtained by GAO from printing firms in various parts of the country.

The GAO also said the price charged by the Times for receipt slips was "considerably higher" than the price that would have been charged by the New Harmony Times.

It also said the amount paid by the commission for these receipt slips in 1951 and 1952 was \$11,548 while they could have been purchased from any one of several jobbers in Louisville or St. Louis for about \$6,000 less.

The GAO said these slips were stocked "far in excess of practical necessity" in 1951-52. If 20 per cent of the persons using the toll bridge asked for receipt slips, it said, "the supply would last about 35 years."

The GAO also noted the various donations and expenditures made by the commission during the years.

Few Supporting Receipts

Among these expenditures was one of \$71.40 for the purchase of 60 bottles of Hadaool so that children in the Baptist orphanage could use the boxes for admission to the "Hadaool Show."

In regard to the traveling expenses of commission officials, the GAO said they totaled about \$20,000 from Jan. 1, 1950, through last June 30.

It said per diem rates paid to Clippinger and other officials ranged as high as \$85 a day, exclusive of mileage allowance.

"On all but a few of these disbursements," it said, "there are no supporting receipts for hotel bills, meals, and other incidental expenses claimed."

The GAO report also noted that the Justice Department was asked by the states of Illinois and Indiana in 1953 to audit the books of the commission and investigate the propriety of its disbursements. But it said the department decided against any such action.

Denton's three-man select committee has been investigating finances of the commission which was set up in 1941 by Congress to take over the bridge between New Harmony, Ind., and White County, Ill.

The commission floated a bond issue of \$945,000 and since has taken in \$3,200,000 in tolls. Denton's committee was set up to determine what was done with the toll revenue and why the bridge has not been freed of tolls. The commission was composed of three members, with lifetime appointments.

It was reported that Governor Craig, who is on a fishing trip to New Mexico, ordered the troopers into New Castle for fear that new battles would break out if the meeting failed. He did so over the objections of Lt. Gov. Harold Handley, who rushed to the scene and voiced fears that the presence of the guardsmen might incite more violence.

Barter Low Bidder On Springfield Airport Construction Work

The J. D. Barter Construction company, Harrisburg, is the apparent low bidder on construction work at the Springfield Capital Airport, it was announced today in Springfield by Arthur E. Abney, director of the state Department of Aeronautics. Barter's bid was \$50,373. Proposed work will include grading, drainage and fencing for the northeast-southwest runway instrument landing system approach.

No Activities Friday Night at Youth Center

Because of a dance at the high school after Friday night's football game, there will be no activities at "Bull Dog Penthouse," the local Teen Town, Friday night.

The youth center, which is on the second floor of the Eagles lodge, will be closed Friday night, but open as usual Saturday night, the board announced.

Guardsmen on Duty With Tanks To Keep Order

Troopers Sent In To Prevent Renewal Of Wild Gunfight

NEW CASTLE, Ind. (AP)—Striking CIO United Auto Workers and spokesmen for the Perfect Circle Corp. neared an agreement today on a compromise plan to keep the firm's foundry in limited production with a small force of non-union employees.

The foundry was the scene of a bloody gun battle yesterday which drew hundreds of National Guardsmen with tanks and halftracks to keep order in a 10-week strike over a union shop clause.

The compromise was discussed at a meeting called by Lt. Gov. Harold W. Handley and presided over by Mayor Paul McCormack, who opened the session by reading a Bible passage and calling the riot "the darkest day New Castle has had since the tornado in 1917."

Would Limit Pickets

The meeting was recessed at noon for lunch and scheduled to be resumed about 2 p. m. CST after McCormack met separately with union and company spokesmen for private discussions.

William Caldwell, a CIO international representative, said the union would obey a court order by limiting its picket line to five men if the company permitted entry to the plant by only those workers on the payroll before the strike began last July 25.

At first, the company wanted the old employees plus about 20 hired as replacements for workers who normally would quit their jobs to return to school in the fall.

The attitudes of the negotiators nearly two hours after the meeting opened represented considerable progress from opening proposals.

At first, the union demanded the plant close completely. The company demanded the truce be discussed for all four plants in three Indiana cities but later agreed to limit the talks to the New Castle plant.

Caldwell said the union flatly opposed entry of "strikebreakers" into the plant. He said many of these, hired after the strike began, were among 90 men in the plant Wednesday when non-strikers and demonstrators waged a gun battle in which nine persons were wounded and injured.

Sentiment Running High

Earlier, Caldwell said sentiment was running high "and I am fearful unless we can reach some agreement to keep this plant closed, those people might come back."

"That would be a catastrophe," he said.

Caldwell charged the company flew in weapons in a helicopter and hid them in bedclothes to get them into the plant to "arm those people to the hilt."

Hoffman said it was "clear that the objective of the union has always been to close the plant and that was the reason for the fixed yesterday." He said if the non-strikers had not fired at the "mob," it would have destroyed anything it got its hands on.

Gov. George Craig sent the 600 troopers rolling into New Castle before dawn to put down any sequel to the wild gunfight in which nine persons were injured at the plant Wednesday.

Four pickets and four non-strikers were shot and a state police captain was clubbed over the head before state police ended the two-hour battle.

It was reported that Governor Craig, who is on a fishing trip to New Mexico, ordered the troopers into New Castle for fear that new battles would break out if the meeting failed. He did so over the objections of Lt. Gov. Harold Handley, who rushed to the scene and voiced fears that the presence of the guardsmen might incite more violence.

.85 Inch Rainfall Here; 2.55 Inches At Shawneetown

Rain measuring .85 inch fell during the night at Harrisburg and more came down today.

But the big rain was at Shawneetown, where the total rainfall was announced at 2.55 inches.

The Galatia gauge showed .48 inch.

The measurements were taken at 7 a. m.

Happy Is The Day When Backache Goes Away

Nagging backache, headache, or muscular
aches and pains may come on with over-exer-
cise, emotional upsets or day to day stress and
strain. And folks who eat and drink unwisely
sometimes suffer mild bladder irritation
...with that restless, uncomfortable feeling.
If you are miserable and worn out because
of these discomforts, Doan's Pills often help
by their pain relieving action, by their sooth-
ing effect to ease bladder irritation, and by
their mild diuretic action through the kidneys
—tending to increase the output of the 15
pints of kidney urine.
So if nagging backache makes you feel
dragged-out, miserable...with restless, sleep-
less nights...don't wait...try Doan's Pills...
get the same happy relief millions have en-
joyed for over 60 years. Get Doan's Pills today!

The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says:
Bulgarian Complaints To Ade-
nauer About Freedom Bal-
loons; Crusade For Freedom
Sent No Cartoons Showing Bul-
ganin As Ape; Great Progress
In Balloon Launching Since
We Hoisted First Propaganda
Over Iron Curtain In 1951.

WASHINGTON. — There has
been so much confusion over the
Freedom - Friendship balloons
launched from Germany to Iron
Curtain countries, that it is time
the American public got a full
picture of the facts.

Premier Bulganin recently took
Chancellor Adenauer aside at a
Moscow garden party and showed
him a balloon that had come
down over Russia carrying anti-
Communist propaganda and asked
him to stop the balloon-launching.
Adenauer seemed upset about the
matter, and the U. S. ambassador
in Moscow, Charles Bohlen, was
upset because Adenauer was up-
set.

Bohlen cabled the State De-
partment that Adenauer appeared
weak-kneed and did not stand up
to Bulganin. Ambassador Bohlen,
incidentally, thinks that the bal-
loon propaganda is effective. He
wants it continued.

It so happens that I made the
original arrangements for bal-
loon - launching from West Ger-
many, and the German govern-
ment had nothing to do with it.
The American government also
had nothing to do with it, except
in a purely negative way. The
project was entirely one of private
enterprise, carried on chiefly by
the Crusade for Freedom. With
one exception, it has remained so
ever since.

For almost three years I had
urged the State Department, the
Army, and Air Force to cooper-
ate in launching these balloons to
people behind the Iron Curtain.
The Army had a stock of surplus
weather balloons which were cer-
tain to deteriorate with time, and
which could have been used to
carry propaganda. However, we
got no cooperation. Some offi-
cials were even emphatically op-
posed.

U. S. VETO LIFTED

In the State Department and the
Army Psychological Warfare Sec-
tion, for instance, it was argued
that the idea of sending propa-
ganda across the Iron Curtain by
balloon should be saved for some
moment of great emergency when

the nation was on the brink of
war. I argued that the time to use
the balloons was well in advance
of war for the purpose of prevent-
ing war; that if the satellite na-
tions and the people of Russia
were friendly enough to the United
States the Kremlin was much less
likely to engage in war.

Finally Ed Barrett, former edi-
tor of Newsweek, then assistant
secretary of state in charge of in-
formation, not only agreed but
persuaded other State Department
officials to lift their ban on any
balloon propaganda.

In brief, the State Department
neither approved nor disapproved.
While they gave no approval, nev-
ertheless Germany at that time
was under military occupation, so
that if the State Department had
disapproved no balloons could have
been launched.

Following this I called on U. S.
High Commissioner John J. Mc-
Cloy in Frankfurt, who agreed
there would be no objection to
trying out the balloon propaganda,
provided the United States mere-
ly expressed the friendship of the
American people for people be-
hind the Iron Curtain and did not
tend to incite war.

The leaflets had been carefully
prepared with this in mind. They
were signed and sponsored by the
General Federation of Women's
Clubs, Mrs. Dorothy Houghton
then president; by the Pan
American A. F. of L.; the Trades
and Labor Congress of Canada.
A. F. of L.; the Canadian Con-
gress of Labor-CIO; the Interna-
tional Federation of Free Journal-
ists; and the International Federa-
tion of ex-Prisoners of War. It
was considered important, from
a psychological point of view, to
make the enterprise wholly
American, and to give it as much
labor backing as possible.

FIRST BALLOONS LAUNCHED

The first balloons, launched only
to Czechoslovakia, proved such
a success that they have been
continued by the Committee for
Free Europe Press ever since,
but only to Czechoslovakia, Pol-
and and Hungary. The balloons
have been greatly perfected since
that drizzly midnight four years
ago when we launched the first
trials from a wheat field on the
German-Czechoslovak border. And
though it is now possible to send
them all the way to Russia, this
has not been done by the Com-
mittee for Free Europe or Free
Europe Press.

The balloon which Premier Bul-
ganin showed Chancellor Aden-
auer in Moscow and the propa-
ganda depicting Bulganin as an
ape, was launched by a Russian
emigre group, not by the Com-
mittee for Free Europe or Free
Europe Press.

The latter organizations have
launched 342,700 balloons over
Poland, Czechoslovakia and Hun-
gary in the last year and a half
carrying 200,000,000 leaflets. But
they have confined the propaga-
nda to news of the outside world,
to reminding the people behind
the Iron Curtain of our friend-
ship and their lost freedoms.
The balloons have carried a

definite impact, which is, of
course, why Premier Bulganin
made a pitch to Adenauer to get
them stopped.

ADLAI'S LONG MEMORY

Adlai Stevenspn is a philosphi-
cal person but he has a long mem-
ory. Sitting on Sen. Lyndon
Johnson's spacious ranch-lawn
last week he could not help re-
membering the occasion when the
same Lyndon Johnson boarded his
campaign train before it got to
Texas in 1952 and begged that he
not be put in the position of stay-
ing on the train as it pulled
through Texas.

Stevenson didn't know at that
time that many of Johnson's
henchmen were in the Shivers
camp working for Eisenhower. He
did not know that the Shivers po-
litical machine in Texas is synony-
mous with the Johnson machine.
He did not know these things
when Lyndon boarded his train,
though to his regret he discovered
them later.

Lyndon did not get off the train,
however, thanks to Senator Ful-
bright of Arkansas. For Ful-
bright laid down a flat and vigor-
ous ultimatum to the able though
sometimes timid Mr. Johnson
that if he deserted the Democratic
candidate for president as he trav-
eled through Texas, he, Ful-
bright, would blast Lyndon's am-
bition to become Senate leader.
So Lyndon stayed on the train.

He introduced Stevenson at one
stop, gave one statement for Stev-
enson over his own radio station
in Austin, then went to Missouri
to campaign for Stuart Symington.
The rest of the time he carefully
stayed out of Texas.

Times had changed when Stev-
enson came back to Texas last
week, however, and he couldn't
help remembering how much they
had changed as he sat on Lyn-
don's spacious ranch-lawn.

BRUSHY

A family dinner party of the
Small family was held Sunday
noon at the original farm home
where the John C. Small family
now lives. This was in honor of
Mrs. Jennie Maple of San Antonio,
Tex., who has been visiting rela-
tives and friends for the past
three weeks. She returned with
Mr. and Mrs. J. H. Small of St.
Louis to that city Sunday fol-
lowing the Small's week end vis-
it. Mrs. Maple continued her trip
home Monday. The Missourians
and Texans fished with their bro-
ther, John C. Small, at his farm
lake Saturday. Others who join-
ed the group Sunday were Mr.
and Mrs. Dee Small, Mrs. Eva
Jacobs of Marion, Mr. and Mrs.
Eugene Reynolds, Mrs. R. C. Pen-
fold and Mr. and Mrs. Paul
Showalter of Harrisburg.

Mr. and Mrs. Harry Lee Patter-
son of Kankakee visited his par-
ents, Mr. and Mrs. Walter Patter-
son and sister, Opal, over the
week end as they were en route
home from a visit in Florida.

Sheryl Mayhew Has Party on 9th Birthday

A birthday party was held after
school, Sept. 29, at the home of
Mr. and Mrs. Jess Mayhew in
honor of their daughter Sheryl
who was celebrating her 9th birth-
day.

Game prizes were won by Marla
Ingram and Carroll Enz, and re-
freshments of ice cream, cup
cakes, Kool-Aid and favors of
balloons and bubble gum were
served to the following: Brenda
Russell, Marla Schwartz, Janis
Milburn, Marla Ingram, Joyce
Senfield, Mary Ellen Ricketts,
Janis Dunaway, Betty Campbell,
Carol Enz, Jeanie Enz, Vickie Fife,
Judy Fife, Brenda Waddell, Lon-
nie Hutson, Gary Ammon, Tommy
Davis, Steve Bush, Sue Hutson,
Donald Mayhew, Mrs. Imogene
Bush, Mrs. Freda Hutson, and the
honored, Sheryl Mayhew, and
Mrs. Jess Mayhew.

Announce Marriage of Lola Davidson, Charles Riley

Mr. and Mrs. Raymond David-
son of Carrier Mills are announc-
ing the marriage of their daugh-
ter, Lola, to Charles Riley, son of
Mr. and Mrs. George Riley Sr. of
Stonefort.

The wedding took place on Sat-
urday evening, Sept. 17.

The bride was attired in an
aqua blue dress designed with a
full skirt and low rounded neck-
line. She carried out the tradition
of "something old, something
new, something borrowed and
blue."

The new Mrs. Riley is a gradu-
ate of the Carrier Mills Commu-
nity high school with the class of
1955, and the bridegroom is a
graduate of the same school with
the class of 1950. He served two
years in the U. S. Army, a year
of which was spent in Korea.

At present they are making
their home in Stonefort with his
parents.

Gov't to Train New Tax Agents

D. L. Olsen, regional commis-
sioner of the Internal Revenue
Service has just announced a
training program for Internal
Revenue agents, open to college
trained accountants or men with
equivalent experience.

Agents selected will receive
classroom and on the job training
in the district directors' offices at
Chicago, Springfield, Milwaukee
and Detroit. Salary during the
training period of six months will
be \$3670 per annum. Those satis-
factorily completing the program
will be advanced to \$4525 per an-
num.

Civil Service announcement is-
sued October 1, 1955, carries in-
formation on how to apply. In-
formation and the necessary
forms may also be obtained from
the Board of U. S. Civil Service
examiners for the Internal Reve-
nue Service at 17 North Dearborn
Street, Chicago 2, Illinois.

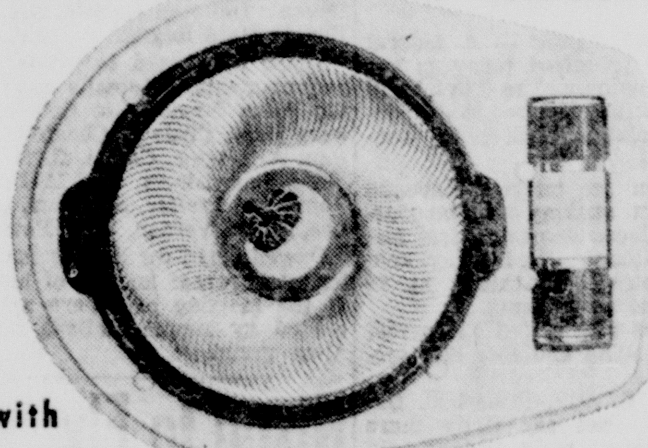

Benefits Added To Blue Cross Hospital Plan

A total of 120 days of benefits
per accident or illness will be
given to Comprehensive and Co-
operative members of the Blue
Cross Plan of Hospital Service
Corporation with headquarters in
Chicago... beginning with hos-
pital admissions on and after Nov-
ember 1, 1955, according to an
announcement by E. M. Burrows,
manager of the Carbondale office
serving this area.

Substantial increases in the cost
of hospital care and a continually
increasing number of members
going to hospitals... which the
Plan has experienced in the 2½
years since the last rate raise...
made an increase in dues neces-
sary. At the same time, in answer
to the demand of many members,
it was decided to add these two
important benefits.

Group members of this Blue
Cross Plan who have Cooperative
certificates will now pay \$2.32 for
individual membership and \$6.32
for family membership... while
Comprehensive subscribers will
pay \$2.56 for individual member-
ship and \$8.24 for family member-
ship. There is no change in dues
or benefits for Blue Shield mem-
bers of Illinois Medical Service...
which is offered as a com-
panion Plan to Blue Cross.

Reveal Aged Woman Starved to Death After Fall

ST. JAMES, Minn. (AP)—A 78-year-
old woman, her hip broken by a
fall downstairs, lay for at least
a week 10 feet from a telephone
and finally starved to death, po-
lice said today.

The body of Mrs. E. C. Ferber
was found in her home Saturday
and police pieced together the
story of her long wait for death.

The woman, widow of a promi-
nent St. James attorney, apparently
fell down the stairs leading from
her upstairs bedroom on Sept. 22,
they said. Pathologist James Mc-
Cartney estimated she lay on the
floor for about a week and died
three days before her body was
discovered.

Mrs. Ferber was only 10 feet
from a front porch telephone, but
she could not reach it to call for
help. A radio, also on the front
porch, was still blaring when po-
lice entered the home. It had ap-
parently been playing all the time
Mrs. Ferber lay dying.

The body was finally discovered
when neighbors noticed that Mrs.
Ferber was not picking up her
mail and called police. McCartney
said death was caused by shock,
exposure, and starvation.

MRS. DONALD L. ZIEGENHORN, St. Louis, who was married September 17. The bride is the former Miss Norma Jean Boczkiewicz of Galatia.

Miss Norma Jean Boczkiewicz, Donald L. Ziegenhorn Wed in Afternoon Rites

Miss Norma Jean Boczkiewicz, daughter of Mr. and Mrs. Alex Boczkiewicz of Galatia, became the bride of Donald L. Ziegenhorn, son of Mr. and Mrs. Bernard Ziegenhorn, Peoria, in afternoon rites Sept. 17 at St. John's Methodist church, St. Louis, Mo.

The Rev. Albee Godbold performed the double ring ceremony before an altar decorated with vases of pink and white gladioli and carnations and seven branch candelabra.

A ballerina gown of white lace and tulle was worn by the bride who had a tulle veil attached to a headpiece of lace covered with pearls. Her bouquet was of white carnations encircling a center corsage of white gardenias with show-ers of pink ribbon entwined with white stephanotis.

Miss Helen Anne Ogle, classmate of the bride, was her only attendant. She wore a pink ballerina length gown of lace and nylon with matching headband and carried a bouquet of pink and white carnations with white satin streamers.

Richard Johnson attended the bridegroom as best man. Guests were ushered to their seats by Roy Williams.

A reception was held immediately after the ceremony in the church parlor. Mrs. Richard Johnson and Miss Betty Eppenauer, both classmates of the bride, assisted with serving to many relatives and friends.

The bride's mother wore a navy blue dress with matching accessories and a corsage of pink carnations. Mrs. Ziegenhorn was attired in a beige dress with matching accessories and a corsage of white carnations.

Before leaving on her wedding trip, the bride changed to a navy blue suit with matching accessories with a shoulder corsage of white gardenias.

Mrs. Ziegenhorn graduated from the Galatia Community high school with the class of 1951 and in 1954 from the Jewish Hospital School of Nursing where she is presently employed.

After a honeymoon in the Ozarks, Mr. and Mrs. Ziegenhorn will live in St. Louis, Mo., while he completes work toward a degree in pharmacy at St. Louis College of Pharmacy and Allied Science.

Family Reunion Held At John Knowles Home

A spaghetti supper was enjoyed recently at the home of Mr. and Mrs. John Knowles and family in Stonefort. The affair was held in honor of Mrs. Leon Tanner and children of Burbank, Calif., Mr. and Mrs. Virgil Nolen and children of San Gabriel, Calif., and Mr. and Mrs. Mike Gourka, Westport, Conn.

Present were Mr. and Mrs. Harry Farthing and children of Carrier Mills, Mrs. W. M. Martin, Harrisburg RFD 1, Mr. and Mrs. Kenneth Martin and son, Galatia RFD 2.

The above mentioned are brothers and sisters and children of the late Mr. and Mrs. Emra Nolen of Carrier Mills.

Others present were their aunt, Mrs. Greg Nolen and Greg Martin, Carrier Mills.

Bankston Fork Baptist Friendship Class Meets

The Friendship class of the Bankston Fork Baptist church held its social of the month at the home of Mrs. Edna Wasson with the president, Mrs. Margeah Chaney, presiding.

The meeting was opened with the theme song "Footprints of Jesus" and roll call was answered with verses beginning with the letter B. Mrs. Lucille Harper read the sixth chapter of Luke followed by prayer by the teacher, Mrs. Pearl Swan.

After the devotion a short business session was held with closing prayer by Mrs. Chaney. Games were played and Mrs. Chaney won the prize for the evening.

Refreshments of sandwiches, homemade cookies, coffee and Cokes, were served. Also present besides those mentioned was Mrs. Inez Hamilton, assistant hostess.

The next meeting will be a masquerade party at the home of Mrs. Fern Boatright.

Mrs. Leo Podorski Hostess to Beta Kappa Chapter

Beta Kappa chapter of Beta Sigma Phi met Monday, Oct. 3, with Mrs. Leo Podorski.

The meeting was called to order by the president, and Jeanette James, corresponding secretary, read an invitation to the wedding of Miss Wanda Burns on Oct. 9.

The chapter voted to give a \$5 donation to the Salvation Army drive and a donation of \$5 to the youth center and to have a party for them in January.

Mrs. Clayton Slack was voted Valentine girl to represent Beta Kappa chapter in the Valentine contest put on by International. Mrs. Bill Keen, chairman, Mrs. Slack and Mrs. Podorski were named to the committee for the homecoming parade float.

Mrs. Gene Neihaus was elected recording secretary to replace Mrs. Sam Porter who was elected extension officer to replace Mrs. Pruet Hart who has taken a membership at large.

Mrs. Neihaus, chairman of ways and means, passed out tickets to be sold for the doll with a complete wardrobe to be given away in December. She announced that the tickets would be 25 cents each or five for a dollar.

Mrs. Slack, program chairman, led an interesting discussion on "Your Day Socially."

Delicious refreshments were served by Mrs. Podorski to the following: Mrs. Charles D. Taylor, Mrs. Marvin Barnett, Mrs. James Siver, Mrs. Bill Brashers, Mrs. Bob Gaskins, Mrs. Slack, Mrs. Porter, Mrs. Neihaus, Miss Jeanette James, Mrs. H. B. Bauman, director, and Mrs. J. A. Bottomley, social sponsor.

McKinley Circle B Elects New Officers

Circle B of the McKinley Avenue Baptist church met at the home of Mrs. Henry Hendren to elect officers for the new year and for a short circle program.

Mrs. Kirt Gasaway was elected chairman. Other officers are Mrs. Hendren, co-chairman; Mrs. Oscar Agin, secretary; Mrs. Nancy Fowler, community missions chairman; Mrs. Volle Lamar, stewardship chairman, and Mrs. Carsa Gardner, program chairman.

After the business session the meeting was opened with the song "Send the Light" and opening prayer was by Mrs. Fowler. The devotion consisted of scripture reading by Mrs. Gasaway, Mrs. Gardner and Mrs. Mollie Ervin.

Mrs. Hendren gave a topic on "Kate White Domestic School" and closing prayer was by Mrs. Mollie Ervin.

Delicious refreshments of ice cream with fresh strawberries and angel food cake, coffee and orange drinks were served.

McKinley Avenue Circles D and C Meet Together

Circles D and C of the McKinley Avenue Baptist church held a combined meeting at the home of Mrs. Wayne Swan for the purpose of installing officers.

Installing officer was Mrs. Christine Brinkley.

Class officers are: Chairman, Betty Frantz; first co-chairman, Jean Followell; second co-chairman, Juanita Pickford; secretary, Barbara Grisham; assistant secretary, Myrna Fife; community mission chairman, Betty Poole; stewardship chairman, Carol Holloway; mission study chairman, Lenora Harris; chorister, Carsa Hedger; reporter, Betty Arms.

Present from Circle D were Myrna Fife, Carol Holloway, Carsa Hedger, Betty Arms, Barbara Grisham, Betty Frantz and Juanita Pickford.

Mrs. E. L. Dickerson, sister of Mrs. Robert J. Ingram of this city, who has been visiting in the Ingram home, has returned to Staten Island, N. Y., where she is employed as a public health nurse at the Marine hospital. Mrs. Dickerson has been in public health service longer than any other nurse, and plans to retire next year.

Try Clabber Girl's Flavor Fresh Lemon Loaf Cake

Lemon Loaf Cake is truly flavor fresh, a fine example of how delicious a cake may be when baked only with fresh ingredients. Baked as a loaf, it is easy to slice and serve as a base for fruits, ice cream or sauce. Baked as cupcakes it ideally fits into the family menu or the lunch box. Fresh Clabber Girl Baking Powder guarantees its flavor and light texture.

LEMON LOAF CAKE

Yield: 1—9½ x 5¼-inch loaf cake or 24—2½-inch cupcakes

2¼ cups sifted all-purpose flour	2 teaspoons grated lemon rind
2¼ teaspoons Clabber Girl Baking Powder	1 teaspoon lemon extract
¼ teaspoon salt	3 eggs, separated
½ cup butter or margarine	¼ teaspoon salt
¼ cup sugar	¼ cup sugar
	¼ cup milk

Sift together flour, baking powder, and ¼ teaspoon salt. Cream together butter or margarine, ¼ cup sugar, lemon rind, and lemon extract thoroughly. Beat in egg yolks until mixture is light and fluffy. Beat egg whites and ¼ teaspoon salt until foamy. Gradually beat in the ¼ cup sugar until whites form stiff, moist peaks. Add dry ingredients to egg yolk mixture alternately with milk, adding dry ingredients first and last; beat only until mixture is smooth after each addition. Fold in beaten egg whites. Pour batter into a greased and floured 9½ x 5¼ x 2½-inch loaf pan. Bake in a 350° F. (moderate) oven about 1 hour. Or bake in 24 greased or oiled 2½ x 1¼-inch muffin pans at same temperature for 20 minutes.

Flavor Fresh...

Remember, it's the fresh ingredients in your home-baked recipe that make things taste better; stay fresh longer!

Sulphur Springs

People are preparing their work for the fall and winter seasons. Church and Sunday school were well attended Sunday and Sunday night.

Rev. Clyde Vinyard, pastor, brought an interesting message on Sacramental Receptions of the church.

Mrs. Gladys Godbey of Beulah Heights, Eldorado, was a visitor at Sulphur Springs church.

Clyde Church of St. Petersburg, Fla., is visiting home folks for a week. He has lots of good things to tell about the state of Florida.

Ralph Church of Michigan is planning on visiting a short time with Clyde in a few days.

Charles Haney and wife and baby of Gary, Ind., visited over the week end with their parents, Mr. and Mrs. William Haney, and with Billy Dale and wife of Equality.

Mrs. Adams and Mrs. Haney and Mrs. Laverne Hathaway are planning on attending the cooking school to be held in the near future.

Mrs. Adams proceeds with the cooking at the Taylor school each day of the week.

Mrs. Pearl Haney is planning to have a quilt ready to sew in a few days.

Mr. and Mrs. Charles Hines visited with Mr. and Mrs. K. Church and son, Clyde, Monday night.

Relatives of Mr. and Mrs. Earl Hathaway of Harrisburg called Sunday.

Mrs. Maggie Hargraves is visiting in California with her daughter, Murriel.

Natives Displaced During War II Seek To Return to Islands

TOKYO (AP)—The almost forgotten islanders of a small Pacific chain including historic Iwo Jima will ask the United States this month to "let us return to the homes of our ancestors."

Some 8,000 "displaced" natives of the Bonin Islands want to "go home to our islands to live and bury the ashes of our dead."

The Japanese evacuated them to Japan more than 10 years ago during the closing days of the Pacific War.

The United States has held on to the islands for strategic reasons just as it has occupied Okinawa and other Pacific possessions captured during the bitter island-hopping Pacific fighting.

To Present Vocal Instrumental Concert At Galatia Sunday

Miss Peggy Vallett

Miss Peggy Vallett will present an all-religious vocal and instrumental concert at the Galatia Baptist church Sunday, Oct. 9, at 7 p. m. The concert is open to the public and people of all faiths are welcome to attend.

The concert is one of a series in a nationwide tour that Miss Vallett has personally originated and produced. The artist, a native of Herrin, presents an inspiring testimony in song and instrumental music. Included in the one and a half hour concert will be piano, organ, violin and vocal selections.

Improvement Work At Shell Station

The Shell Oil Co. is changing the pumps, putting in new islands, at the Victor Mitchell service station at Routes 45 and 13 in east Harrisburg.

The Daily Register 25c a week

Leamington

Mrs. Jesse Colbert
Correspondent

The Ladies' Aid held its regular meeting Wednesday and some of the men who were working at the church took dinner with them. Present were Rev. and Mrs. Clifford Patton, Mr. and Mrs. Herman Bentley, Mr. and Mrs. Jesse Colbert, Mr. and Mrs. Wallace Jennings, Mr. and Mrs. Charlie Baldwin, Mr. and Mrs. Joe Elliott, Mrs. Geneva Lackey, Mrs. Jamie Thacker, Mrs. Laura Fuhr, Mrs. Rosetta Colbert, Mrs. Elsie Patton, Mrs. Ethel Gowan, Mrs. Augusta Fuhr and Mrs. Naomi Gowan.

Miss Sandra Colbert spent Saturday night with Miss Judy Ann Carahan.

Rev. and Mrs. Jim Vinyard of Harrisburg visited Mr. and Mrs. Joe Elliott Friday afternoon.

Mr. and Mrs. Jack Martin and children and Mr. and Mrs. Willard Dempsey called on Mr. and Mrs. Chas. Brinkley Friday night.

Mr. and Mrs. Herman Bentley and Rev. and Mrs. Clifford Patton visited with Mr. and Mrs. Hubert Vinyard Sunday.

Ronnie Frohock visited with Laverne Gowan Saturday night.

Mr. and Mrs. Anthony Fuhr spent Sunday with Mr. and Mrs. Claude Thacker.

Mr. and Mrs. Charlie Baldwin and children visited Sunday with

his mother, Mrs. Martha Baldwin at Harrisburg.

Miss Mary Lou Moore spent Friday night with Sandra Colbert.

Mrs. Mable Baker of Raleigh and Mr. and Mrs. Loren Rodgers of California have been visiting Mr. and Mrs. Chas. Brinkley.

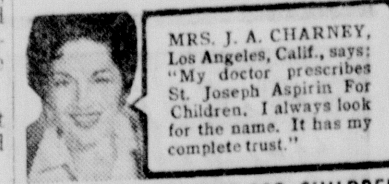

Mr. and Mrs. Hershel Miles visited Mr. and Mrs. H. B. Gowan Jr. Sunday.

Mr. and Mrs. Melvin Milligan and

Mrs. Pauline Ronk and daughter, Melegone, of Detroit, Mich., and Mrs. Myrtle Milligan of Herod visited Friday with Mr. and Mrs. Jesse Colbert.

Frank and John Martin of West Frankfort had supper with Mr. and Mrs. Ralph Colbert and children.

Mr. and Mrs. K. L. Joiner visited Friday night with Mr. and Mrs. Joe Lackey and enjoyed homemade ice cream and watched TV.

ST. JOSEPH ASPIRIN FOR CHILDREN

MRS. J. A. CHARNEY, Los Angeles, Calif., says: "My doctor prescribes St. Joseph Aspirin For Children. I always look for the name. It has my complete trust."

Born of success—born for success! New '56 Dodge is your reward for the greatest sales gain in Dodge history.

New '56 DODGE

Born of Success to Challenge the Future!

THE MAGIC TOUCH OF TOMORROW

Here is a Dodge so dramatically beautiful, so daring in design that other cars seem ordinary by comparison.

Here are revolutionary advances that introduce a new era of push-button driving. Gone is the shift lever! You now "tune in" the range of Power-Flite automatic driving on the Dodge Magic Touch push-button control!

New V-8 and 6 engines, with surging break-away power, up to 230-h.p., set a

new standard of thrilling performance. The look of success! The feel of success! The power of success! These are your rewards for the great Dodge advance—a dividend of extra value made possible by the greatest sales gain in the industry!

This daring new '56 Dodge goes on display today. Come see its dramatic new Jet-Fin styling, and discover the thrill of push-button driving!

NEWS FLASH! New '56 Dodge shatters every American stock car record on Bonneville Salt Flats!

B. W. RUDE . . 100 SOUTH MAIN

Harrisburg Meets Mt. Vernon in South 7 Tilt; Herrin Plays Christopher

By United Press
Powerful Harrisburg, one of the favorites for the South Seven football crown, takes on surprising Mt. Vernon in prep grid play tomorrow night while Herrin, currently leading the loop with a 2-0 mark, gets what should be a breather against Christopher.

Harrisburg has won its first three games, while Mt. Vernon came back with a 58-0 win over Albion last week after losing to Herrin a week earlier.

The Harrisburg-Mt. Vernon tilt at Harrisburg is the fourth of an annual Shrine series with the first team to win three games the series champ. Mt. Vernon now holds a 2-1 edge.

There's only one other South Seven game besides the tilt at Harrisburg — Marion at West Frankfort. In non-league play Benton travels to Eldorado and Centralia will be host to Murphysboro.

Other games in southern Illi-

nois: Carbondale at Sparta, Pinckneyville at Anna-Jonesboro, Metropolis at Cairo, Cahokia at MeLeansboro, Zeigler at Johnston City, Carmi at Albion and Cleveland High of St. Louis at Chester.

East St. Louis, a bit farther upstate, seeks to stretch the state's longest win streak to 36 games against University High of St. Louis. The Flyers have run up easy wins in three starts so far this year and appear to have a good chance for a fourth undefeated season.

High-scoring Collinsville pits its Mr. Inside and Mr. Outside touchdown combination against Edwardsville's undefeated Tigers Friday in one of the top games on the program.

Mr. Inside is halfback Sherwin Whitlow and Mr. Outside is 200-pound fullback Al Sonnenberg. Each racked up 181 yards in last week's 40-12 rout of Granite City. Each has scored eight touchdowns as the Kahoks flattened their first three opponents.

Edwardsville, however, promises to be anything but a soft touch. The Tigers have amassed 78 points in turning back Granite City, Wood River and Staunton.

Big 12 contests

Only two conference games are on tap in the Big 12 where strong Pekin, with three victories, takes on the Lincoln Victorians and Urbana goes after victory No. 4 against Mattoon's Green Wave. Peoria Central, whose 21-game unbeaten streak was cracked last week by Peoria Woodruff, seeks to get back on the track against city foe Spalding.

In the Big Eight, defending champion Aurora East goes after its fourth straight win in a conference game against twice-beaten La Salle-Peru. Other encounters have Rockford East at Elgin, Joliet at Rockford West and Aurora West at Freeport.

Another powerful scoring machine will be on display up north where De Kalb takes on Sterling. De Kalb rocked Hall of Spring Valley by a thumping 74-0 score last week for its third victory. The Barbs have scored 132 points to 6 for their opposition.

Pana's Panthers, terrors of the Mid-State Conference, bump head-on into Shelbyville, last year's champ and still strong. Shelbyville bounced back to two impressive wins over Effingham and Vandalia after being surprised by Sullivan in its opener. Pana has been scored on only once in racking up three victories.

Advance Sale Tickets Available to Shrine Game Friday Night

The Egyptian Shrine club today reminded football fans that advance sale tickets to the Shrine football game at Taylor Field tomorrow night between Harrisburg and Mt. Vernon are available at the Athletic House and at Skaggs pharmacy. Advance sale price and gate price is the same and much waiting can be eliminated if people buy their tickets in advance, it was pointed out. Game time is 7:30 p. m.

Picking the Grid Winners IN THE Sport Parade

By OSCAR FRALEY
United Press Sports Writer
NEW YORK (AP)—Fraley's Follies and the weekend football "winners"—looking for a load of upsets on the theory that if the Dodgers can win anything can happen.

The Upsets
Army over Michigan—The cadets haven't been tested yet and this is a rough Michigan team. But if Army can handle the pass receivers—a big "if"—the West Point line can make a winning difference.

Pitt over Navy—The Panthers are coming and the Middies have lacked desire. It should be a bruising contest with the outcome depending on the way the ball bounces.

Miami over Notre Dame—The Irish have been a pleasant surprise but Miami has been pointing for this one a while.

Missouri over SMU—This is a club with a lot of grit and promise. Maybe they won't win, but they'll take a lot of beating. Stanford over Michigan State—This is another surprise club, and the Spartans, while solid, aren't what they used to be.

The East
Princeton over Penn—So that makes six losers.

Yale over Columbia—And one winner. Harvard over Cornell—You never can tell.

Also: Boston College over Villanova, Syracuse over Boston University, Dartmouth over Brown, Lehigh over Bucknell and Rutgers over Muhlenberg.

The Midwest

Wisconsin over Purdue — Big threat of the Big Ten. Ohio State over Illinois — But they'll have to go.

Iowa over Indiana—Back on the rails.

Also: Kansas over Iowa State, Marquette over Kansas State, Texas A&M over Nebraska, Minnesota over Northwestern, Houston over Detroit, Cincinnati A&M over Wichita and Cincinnati over Xavier.

The West
Southern California over Washington—With a hey and a nonny.

UCLA over Oregon State—Don't sell 'em short on Maryland. California over Washington State —Rugged ball game.

Also: COP over Idaho, Utah over Brigham Young, Wyoming over Colorado Aggies, Denver over Montana and Utah State over New Mexico.

The South
Maryland over Wake Forest — Without a deep breath.

TCU over Alabama—At low tide. Georgia Tech over LSU—The wreck is rambling.

Also: Mississippi over Vanderbilt, Mississippi State over Tulane, Penn State over Virginia, Auburn over Kentucky, Tennessee over Chattanooga (maybe), Georgia over North Carolina, West Virginia over VMI, Duke over W & L, Florida over G. W., and South Carolina over Furman.

The Southwest
Oklahoma over Texas—But they might surprise.

Rice over Clemson — Another rough one. Baylor over Arkansas—But it's your money.

Also: Arizona over West Texas State and Texas Tech over Texas Western.

Actress to Wed Yankees' Andy Carey

HOLLYWOOD (AP)—Actress Lucy Marlow and New York Yankees third baseman Andy Carey will be married tonight and leave immediately on a honeymoon trip to Japan with the baseball team.

PUBLIC SALE

I. Mae Richardson, will sell at public auction the following household furniture and personal property at my home located 5 1/2 miles West of Harrisburg, Illinois, on the old Harco Road, or 1 1/2 mile South of Bankston Church in the Bankston Community, or 1 1/2 mile North of State Route 13, on Saturday, October 8, 1955, beginning at 1 o'clock.

2 piece living room suite, bed step, desk and chair, Crosley radio, 2 walnut chairs, antique rocker, magazine rack, coal heater, small rocker, Maytag washer, 2 steel cabinets, 2 kitchen tables, high chair, electric iron, ironing board, lot of pots, pans, dishes, and fruit jars, 2 screen doors, lot of windows, log chair, lot of wrecking bars and oil barrels, 2 axes, 3 hand saws, cross cut saws, large shop bench with drawers, lot of plate glass, all sizes, outboard motor, garden plow and garden tools, 2 scoop shovels, lot of lumber, lot of bolts, wrenches, steel brushes, lot of hammers, some copper, 15 disc blades, welding hose.

Annual High School Guest Day Oct. 15 At SIU Grid Game

CARBONDALE, Ill.—Southern Illinois university is offering hundreds of free tickets to the Southern-Eastern football game on Guest Day, Oct. 15. Free, that is, if you're a high school junior or senior in one of the state's southern universities.

Invitations to SIU's annual High School Guest Day, which offers other entertainment besides football, have been sent to 176 schools, according to Miss Lois Harris, of Carlyle, a junior at Southern who is general chairman.

The Student Council will play host to the hundreds of young visitors, who will begin registering at the Student Union at 1 p. m. Registration is important because that's when official name tags—good for free admission to the game—will be distributed.

Following an informal variety show at Shryock Auditorium, the high school overclassmen will be guided on tours of the campus by SIU students.

A "chat and snack" hour is scheduled for 3:30 to 5 p. m. on the terrace at Woody Hall. During the dinner hour free movies will be shown at Shryock and facilities at the Student Union will be reserved for visitors. The students will assemble in a special section at McAndrew Stadium at 7:30 p. m. to await the opening kick-off of the game.

Slight Columbia Back Leads in Grid Offense

NEW YORK (AP)—Little Claude Benham of Columbia, who ran and passed for a total of 239 yards in the Lions' 20-7 loss to Princeton last Saturday, is the nation's total offense and forward passing leader.

Benham, who stands five-eight and weighs only 160 pounds, leads the nation's major college footballers with 397 yards gained on 69 plays. And his 59 pass attempts and 27 completions also are high for the season thus far, according to official NCAA Service Bureau statistics released today.

All this he has accomplished in only two games, while most of his rivals have played three games. Georgia's Dick Young is the runner-up in total yards with 208 in three games, and Bill Beagle of Dartmouth is one behind Benham in pass completions in the tossing competition.

A Durable Player

On top of his sterling performances to date, Benham has proved to be quite durable, much like Davey O'Brien, another small man who passed and ran to fame with Texas Christian 16 years ago. O'Brien set the modern record for attacking in total, averaging 40 rushes or passes per game and Benham is just one behind that mark with 79 attempts.

Art Luppino of Arizona, who never passes, has reclaimed the rushing leadership he held all but one week last year. In three games he has netted 361 yards, picking up 129 yards last Saturday in 16 tries against Idaho. Jim Swink of Texas Christian, last week's leader, is second this week with 345 yards.

Joe Clements of Texas, last week's total offense and passing leader, has tumbled all the way to seventh and fifth, respectively. Clements, who suffered a head injury, was sidelined last Friday after only two plays against Southern California.

Pajackowski Toff Carrier

Fullback Bill Tarr of Stanford is third in rushing with 289 yards, while Frank Pajackowski of Richmond is the most proficient carrier, having picked up 231 yards in only 22 tries.

Nick Consoles of Wake Forest, the nation's third top passer, remains the lone player to pass 30 or more times without an interception. He has hit on 25 of 40 attempts.

In other departments John Stewart of Stanford, who made two catches against Ohio State, leads in pass receiving; Bill Schmidt of Pittsburgh is the most proficient kicker with a 51.2 average, and Swink and Jon Arnett of Southern California are the individual scoring leaders with 44 points each.

Ziegler Breaks Wrist in Bull Dog Practice Session

The Harrisburg Bulls suffered their first serious injury of the season in yesterday's practice session when John Ziegler, one of the mainstays, suffered a broken wrist.

Ziegler, a regular linebacker and No. 2 fullback, sustained a bad break of his left wrist when tackled while carrying the ball in scrimmaging. He was taken to a local hospital, where the bone was set.

It was certain that Ziegler, son of Mr. and Mrs. Lawrence Logsdon of this city, will be lost to the team for the season.

Young Ziegler is a junior in school.

Phillies Sell Hurler Bob Kuzava

PHILADELPHIA (AP)—The Philadelphia Phillies announced today the sale of southpaw pitcher Bob Kuzava to the Columbus Jets of the International league and the outright release of utility man Peanuts Lowrey and first baseman Eddie Waitkus.

Kuzava had a 1-0 record with the Phillies last season. Lowrey batted .189 in 55 games, while Waitkus, signed as a free agent late in the season, hit .280 in 33 games.

Homecoming at Eldorado High This Week End

Senior Class Play, Queen Coronation, Grid Game Included

This is homecoming weekend at Eldorado Township high school. Activities got underway this afternoon and will climax with the Benton-at-Eldorado football game Friday night.

Included on the homecoming program are two presentations of the Senior class play, "Desperate Ambrose," coronation of the Homecoming Queen, the homecoming parade and the grid contest.

The Eldorado football players have been working hard all week for the game with Benton. After winning their first two games of the season, the Eldorado Eagles dropped a 13-7 decision to Harrisburg last Friday. The Eagles hope to regain their winning ways tomorrow night.

Eagle Coach Al Adams has been working with a different defensive combination this week in an effort to bolster the middle of his line. Laffoon, who has been playing as a linebacker, has been moved into the line. Lovellette has moved from end to tackle, and Chandler, a line backer in early games, has shifted to end. Phelps will take over one linebacker spot and several others have been teaming with Phelps on linebacker duties. Who will draw the assignment hasn't been announced.

To date Benton has won two and lost one. In the season opener Benton won from Carmi 21-14. The following week Benton dropped a 12-0 game to Centralia and then last Friday Benton dropped Marion 37-6.

The two-day homecoming program started this afternoon when the Senior play was given for grade and high school students and this evening there will be another performance. Following tonight's show the homecoming queen will be announced with coronation ceremonies announced for 9:30. Candidates for Queen are Joan Burroughs, Sue Hill, Claudette Justice, Linda Sontra, Janice Sutton and Fay Williams.

The homecoming parade will start at 2 p. m. Friday afternoon and the ball game is scheduled for 7:30 p. m.

Bucky Harris Signs To Manage Tigers For Another Year

DETROIT (AP)—Bucky Harris today was named manager of the Detroit Tigers for another year, despite uncertainty about the future ownership of the club.

Harris signed a contract to manage the Tigers through 1956 with Spike Briggs, current Tiger president who may not be around when Harris starts his new term as manager.

Briggs is head of a syndicate seeking to buy his sisters' control of the Tigers and Briggs Stadium in order to prevent the club from being sold when a holding company which now controls it is dissolved.

His first bid, estimated at three million dollars, was turned down by his four sisters, who share equally with him in the holding company.

Harris took over the reins of the Tigers last year, succeeding Freddie Hutchinson who quit because Briggs refused his request for a two-year contract.

Hall, Butler to Debate at State C. of C. Meeting

CHICAGO (AP)—The national chambers of the Republican and Democratic parties will tangle in what is billed as a "no holds barred" debate on the 1956 political campaign here next week.

The Illinois Chamber of Commerce said GOP Chairman Leonard W. Hall and Democratic Chairman Paul M. Butler had agreed to appear before the Chamber's annual meeting here Oct. 14.

Hall and Butler each will give his views on "A Political Preview of 1956." The chamber said the debate will be a "rapid-fire 'no holds barred' match between the top-ranking 'pros' of the political league."

The Hall-Butler debate at the chamber's annual banquet will climax a two-day annual meeting expected to attract 3,000 members from all parts of Illinois.

Renew Demands For Universal Training Plan

WASHINGTON (AP)—Failure of youths to volunteer for the administration's new six-month military training plan set off renewed demands today for some form of universal military training.

Seaborn P. Collins, national commander of the American Legion, said Wednesday in Miami, Fla., that "obviously" the administration's reserve training program is a failure.

Only 1,038 youths signed up for the first month of the new six-month plan which started this week. The Army's quota calls for 10,000 a month for a total of 60,000 by the end of next June.

"If this program won't get the job done, then the Legion will recommend a stronger compulsory training act," Collins said.

Tests show that frequent cutting of hair will not cause it to grow faster or thicker.

Giants Begin Rebuilding as Rigney Reports

NEW YORK (AP)—Skiing Billy Rigney makes his official debut as manager of the New York Giants today, but last year's world champions already have started their rebuilding program.

They began by calling up seven players from their farm system, including the "most valuable player" in the Texas League—and by trading Rance Pless, "most valuable player" in the American Association, to the Kansas City A's for first baseman Don Bollweg and \$35,000.

Rigney, who managed Minneapolis to the Little World Series championship, was expected to announce the names of his coaches late today. Reportedly, Ray Mueller, former major-league catcher who was a coach under Rigney at Minneapolis, has an inside track for one of these jobs.

The big batch of players called up by the Giants included four catchers. One of the backstops is Ray Murray, 35-year-old former major leaguer who was named the "most valuable player" in the Texas League.

The other catchers are Leonard Jackson of Dallas, Wilburn Jenkins from Sioux City, and Bob Schmidt from Danville. Others called up were shortstop Eddie Bressoud of Minneapolis, pitcher Dom Zanni from Sioux City, and former Giant outfielder George Wilson from Minneapolis.

Plane Feared Crashed; 64 Persons Aboard

DENVER (AP)—A pilot today radioed he thought he had spotted the wreckage of a missing United Air Lines DC4 with 64 persons aboard on 11,162-foot Elk Mountain 22 miles east of Hawlins, Wyo., but later said he would not determine whether the plane had crashed or was flying below him.

The report was radioed by a pilot of a Western Air Lines flight due to arrive in Cheyenne, Wyo., about 11:40 a. m. MST.

The report was radioed by a pilot of a Western Air Lines flight due to arrive in Cheyenne, Wyo., about 11:40 a. m. MST.

The sighting was on the route the missing plane would have taken on its flight from Denver to Salt Lake City.

A Western Air Lines spokesman said the pilot at first reported he had sighted the wreckage and later said by radio that he decided the plane was flying at the time.

However, United Air Lines at Denver said it had no DC4s in that area. The pilot definitely identified the plane he saw as a United Air Lines DC4.

The plane, which took off from here for Salt Lake City at 6:33 a. m. MST (7:33 a. m. CST) was air coach flight No. 400 which had originated Wednesday night at New York City.

It eventual destination was San Francisco.

United Air Lines said the plane had not reported in by radio at its customary check point over Rock Springs, Wyo., on its flight to Salt Lake City.

The 44th Air Force Rescue Squadron at Lowry Air Force base immediately dispatched two SA16 amphibian search planes to cover the route the missing plane would have taken.

The Air Force said four more planes would be sent into the search immediately.

Work Begins on Project to Launch Earth Satellite

WASHINGTON (AP)—The Defense Department announced today that "work has begun" on the project to launch a small artificial earth satellite into far space to circle the earth.

The department said that Glenn L. Martin Co. of Baltimore, Md., has been awarded the prime contract for "a major part of the project"—development of a rocket launching vehicle.

Glenn L. Martin is the builder of the Viking rocket which holds the world altitude record of 158 miles for a single-stage rocket.

Then General Electric Co., the department said, will supply the rocket motor which will be used in the first stage of pushing the earth satellite—which is expected to be about the size of a basketball—into outer space.

The department said that other important parts of the launching vehicle will come from different industrial sources.

The Defense Department announcement lifted some of the secrecy around the space satellite project, first announced by the White House on July 29.

The earth satellite—perhaps the forerunner of space travel by humans—is due to be launched sometime in 1947-58. It has been given the name of "Project Vanguard."

The announcement said that a site will be selected "soon on a scientific and functional basis" for the launching of the small, earth-circling unmanned satellite.

Poland Woos Refugees To Return Home

LONDON (AP)—Communist Poland today offered anti-Red refugees money and free food if they would return to their homeland.

The bulletin of the Polish Embassy here gave full details of the Warsaw regime's bid to woo thousands of Poles who refused to return from World War II exile when the Iron Curtain fell.

French Columns Reopen Vital Moroccan Pass

FEZ, Morocco (UP)—Two French armored columns supported by jet fighters reopened the vital Nador Pass today between headquarters at Aknoul and the beleaguered garrison at Boured.

The dangerous, winding mountain path that connects Aknoul and Boured was cut off by fierce rebel tribesmen Wednesday, after the French had rammed through a Foreign Legion column the day before.

The Moroccan rebels in their dust-colored brown and rust red robes were able to hold the pass with guerrilla tactics. Every time a French tank gunner stuck his head out of a turret, a rebel sharpshooter picked him off.

But early this morning the French sent armored columns from Boured and Aknoul to meet in the Nador Pass and reopen the vital road link.

Planes Aid Fight

French fighter planes pinned down the rebellious Riff tribesmen behind their rocks and crags and permitted the armored columns to move forward cautiously to the linkup.

The best estimate is that there are about 2,000 Riff tribesmen and commandos in action against the French in the rough triangle formed by the villages of Tizi Ouzli, Boured and Aknoul, which lie just south of the Spanish Moroccan frontier.

The French enclave of Bou Zined inside Spanish Morocco still was reported surrounded by rebel commandos and entirely cut off.

Death of Evansville Woman May Be By Virus Encephalitis

EVANSVILLE, Ind. (UP)—An 80-year-old woman's death Tuesday may have been virus encephalitis, the "sleeping sickness" suspected of killing eight other persons in the Fort Branch area.

Mrs. Anna Hollis of Fort Branch died in St. Mary's Hospital. Her physician was undecided whether encephalitis was responsible.

It was the first death reported since Sept. 26.

It was the 25th case in the tri-state area embracing parts of Indiana, Illinois and Kentucky to be listed as possible encephalitis.

Benson Defends Flexible Price Support Program

NEW BRUNSWICK, N. J. (UP)—Secretary of Agriculture Ezra T. Benson said today a return to 90 per cent rigid price supports for farm products would be comparable "to spinning the wheels of a car stuck in a deep mudhole."

Benson struck back at what he called a "loud and loquacious group" which has "been losing no opportunity to describe flexible price supports as a dagger aimed at the heart of farm prosperity and security." The administration's farm program is geared around a flexible support system as opposed to 90 per cent price supports.

He defended the flexible support program in a speech celebrating the 75th anniversary of the New Jersey Agricultural Experiment Station at Rutgers University.

Illinois Bell Strike Prevented

CHICAGO (UP)—A last-minute agreement today prevented a strike of 7,800 telephone company workers in Illinois and Indiana.

Representatives of the CIO Communications Workers of America and of the Illinois Bell Telephone Co. signed a new contract at 2:30 a. m., beating a 6 a. m. strike deadline.

Company officials said the contract affects 7,800 operators, clerical workers and matrons in all Illinois telephone exchanges outside Chicago and in Indiana's Lake and Porter counties.

The agreement gives most of the 7,800 an average \$2.50 weekly pay increase, a company spokesman said. Others will get increases ranging from \$3 to \$6 a week, he said.

He estimated the new contract's annual cost to the company at \$1,375,000.

Actor Sonny Tufts Denies Charges

HOLLYWOOD (UP)—Actor Sonny Tufts has denied charges made in a suit for \$10,000 damages that he struck and beat a 22-year-old girl in a restaurant last July 17.

Adrienne Forman of North Hollywood charged in the suit that Tufts struck, beat and bruised her at a Studio City restaurant.

THOMAS F. DAVENPORT, son of Mrs. Norman Bean of Carrier Mills, was recently promoted to the rank of corporal. He entered the Army Jan. 8, 1954, and has been stationed overseas in Frankfurt, Germany, since June of 1954, and will spend the rest of his time which is 15 months there. Cpl. Davenport is attending a Noncommissioned Officers Academy. His grandparents are Mr. and Mrs. Howard Headrick of Carrier Mills RFD 2 and Thomas Davenport of Stonefort.

MUSICIAN DONALD G. UPCHURCH, who was graduated Aug. 22 from the U. S. Naval School of Music in Washington, D. C., arrived home Sept. 10 to spend two weeks with his parents, Mr. and Mrs. Kenneth Upchurch, and other relatives and friends. He reported to the Receiving Station at San Francisco, Calif. Sept. 29, and from there was assigned to the U. S. Navy Unit Band at Pearl Harbor for the next two years. Don is looking forward to meeting his close friend, Airman Richard L. Lawrence, also of Harrisburg, who is stationed at Pearl Harbor. The two enlisted together Aug. 17, 1954, and received basic training at Great Lakes. His new address will be Donald G. Upchurch, Musn. 749-98-21, Unit Band 164, Navy No. 128, c/o F.P.O., San Francisco, Calif.

SIU Girl to Vie For American Dairy Princess Title

CARBONDALE, Ill. — Marilyn Eckert, 18-year-old Southern Illinois university sophomore from Herrin doesn't have any knack for milking cows, but she will vie for the American Dairy Princess title at Chicago, Oct. 8-11.

Miss Eckert won the right to compete in the national beauty event when she was crowned Illinois Dairy Princess in a state meet at Olney, Sept. 17. At Chicago she will compete against 15 contestants from other states for the honor of being princess of the nation's dairy industry.

The beauty pageant at the LaSalle Hotel will be held in connection with the International Dairy Show in Chicago Oct. 8-15. Contestants will make public appearances throughout the week but the winner of the princess title will be announced at 8 p. m. Oct. 11.

Marilyn is the brown-haired, blue-eyed daughter of Herrin high school Principal and Mrs. E. C. Eckert. She is studying to be a kindergarten teacher.

Red Cross volunteer workers outnumber paid employees 100 to 1, and without them the cost of Red Cross service to the nation would be almost prohibitive.

Ag Department Distributes Farm Fact Sheet

WASHINGTON (UP)—The Agriculture Department today distributed 3,000 copies of a fact sheet designed to acquaint farmers with developments affecting agriculture since the beginning of the Eisenhower administration.

Heading the list of 39 "facts important to farmers" is this paragraph: "There is peace."

The fact sheet from the "office of the secretary" bears the name of True D. Morse, undersecretary of agriculture and president of the Commodity Credit Corporation.

A department aide said the sheet was distributed to its regular mailing list. This includes persons who get copies of all department policy statements both within and out of the department; editors of farm papers and magazines; trade publications; women's page editors; persons who get all releases on Commodity Credit Corporation activities; state extension editors, radio farm directors; and members of "two or three" advisory committees.

The aide said the regular mailing list also includes the Republican and Democratic national committees.

Fact No. 2 on the sheet reads: "There is record high business activity and income." Fact No. 3 states: "Farmers have not shared fully in the great prosperity of the nation. More farm products are being consumed because of high level incomes."

Fact No. 4 is a long paragraph quoting Secretary of Agriculture Ezra T. Benson. It reads, in part: "This administration is not content with the general level of farm prices today or with the present income of our people. We will seek earnestly, energetically, and constantly to do everything that is fair, right, and economically sound to improve this situation."

Found at Last

The famous ironclad vessel of the Civil War, the Monitor, was detected by radar off Cape Hatteras in 1947, after more than 85 years of lying unlocated under the water.

The automobile industry consumes about a fifth of all steel produced in the United States each year.

Employment in September Off From Record Level

WASHINGTON (UP)—Secretary of Labor James P. Mitchell reported today that employment last month declined from record levels but still was higher than for any previous September.

He told a news conference the number of unemployed also declined last month.

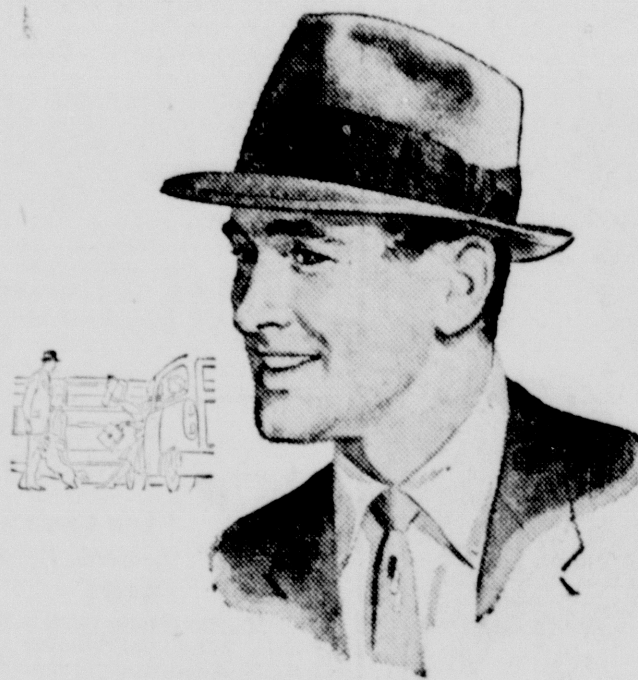

The reason both figures went

down, he said, was that a great number of young people left the job market to return to school. Mitchell said that despite the overall employment decline the number of persons on non-farm payrolls increased sharply. He predicted further job gains in industrial centers this fall.

In August, employment stood at a record 65,500,000 and unemployment at 2,237,000. The official figures for September will not be released until Monday.

Colombia, South America, is the world's largest producer of emeralds.

Butler Invites Off-Key Demos to Sing Party Hymn

BATON ROUGE, La. (AP) — National Chairman Paul Butler's invitation to off-key Democrats to sing the party hymn in '56 was echoed today by the words, "no comment," from two big voices in the southern rebellion of 1952.

Butler announced that all who switch to the Republicans are welcome to "sing the Democratic hymn" again, "but not to occupy that exalted spot of singer in the choir left."

Butler said political harmony

The Daily Register, Harrisburg, Illinois
Thursday, October 6, 1955 Page One, Section Two

now seems to prevail in Louisiana but his remarks drew from Gov. Allan Shivers of Texas, "no comment," and from former Gov. James F. Byrnes of South Carolina, "I have no comment to make."

The Democratic chairman, swinging through the South to start the 1956 presidential campaign on the right note, discussed such 1952 bolters as Shivers, Byrnes and Gov. Robert Kennon of Louisiana with reporters before addressing a Governor's Day rally Tuesday night.

"We welcome any and all who

left the fold to see the light, walk in grace and again sing the Democratic hymn," Butler said. "However, I don't think these persons should be put in places of high position."

Kennon, who attended the rally, was one of many bolters to the Republicans in dissension over their own party's civil rights stand and the loyalty oath demand. The state party used the national Democratic ticket officially but refused to endorse it.

Lightning travels 20,000 miles a second.

Harrisburg High School Notes

KEYSTONE LAUNCHES AD CAMPAIGN; TWO TEAMS SELECTED

The advertising staff of the Keystone, HTHS yearbook, launches a campaign this week to sell \$1,500 worth of advertising. Last year's ad sales dropped to \$1,000, leaving the Keystone in debt.

Most of the Keystone's income is raised by advertisements. This year's business staff is in hopes of topping the goal.

The staff has been divided into two ad-selling teams captained by Joan Seright and Judy Franks. Members of Joan's team are: Pat Hodson, Joy Taylor, Chuck Ford, Sandra Gray, Bill Skaggs, Alice-nell Bean and Judy Wells. Judy's team is composed of Collette Wavering, Bill Bottomley, Sandra Las-seter, Marilyn Gelsosky, Dianne Reed, Linda Rude, and Jerry Bramlet.

Each salesman is given a list of merchants to contact and must sell at least two ads each week.

Prices for the ads are: \$30 for a full page (\$5 extra with a picture), \$20 for one-half page (\$3 extra with a picture), \$12 for a quarter page ad and \$7.50 for an eighth of a page ad.

CHEMISTRY CLUB INITIATION OCT. 25

New chemistry students anxiously await the ending of the first six weeks to determine if they are eligible for membership in the Chemistry Club of HTHS.

Those with an average of 93 are eligible and will be initiated Oct. 25.

President Avah Phillips appointed two new committees at the club's first meeting, Sept. 13. Bill Cole heads up the Membership committee, and Ed Chase is chairman of the Program committee.

Says Downstate Will Regain Control of House

MATTOON, Ill. (AP)—Cook County Treasurer Herbert C. Paschen predicted today that downstate Illinois will regain control of the Illinois House through shifts in population.

Paschen said in a speech prepared for delivery before the Mattoon Lions Club that the downstate area "will almost certainly regain its former preponderance of strength" in the House.

"The physical confines of Cook County can hold only a limited number of people," he said. "An ever-increasing number will be moving into surrounding counties."

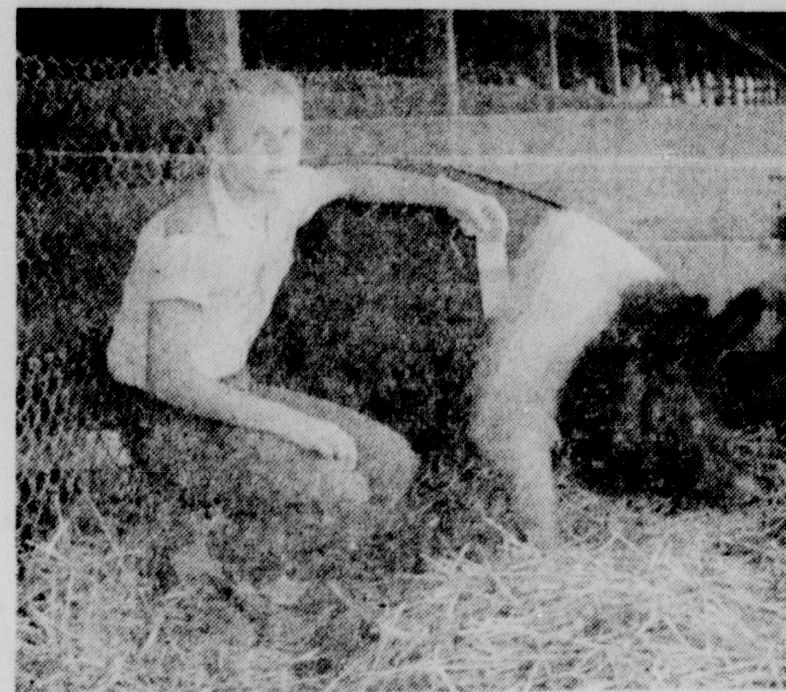

Downstate Illinois has controlled both houses of the Legislature for decades. Under the 1954 reapportionment, Cook County got a slim margin of control over the House. This measure provided, however, for a realignment of House seats every 10 years, to reflect population changes.

Godfrey Pays \$500 Settlement to CAA

WASHINGTON (AP) — Television star Arthur Godfrey made a \$500 civil compromise settlement with the Civil Aeronautics Administration today in connection with a plane incident in Chicago on Sept. 7. But he emphasized the payment "is not to be construed as an admission of guilt."

COL. EDWARD C. D. SCHERRER, son of Mr. and Mrs. George B. Scherrer, Shawneetown, is attending a 10-month course at the Army War College at Carlisle Barracks, Pa. The college is the Army's highest institution of learning. Col. Scherrer, a 1937 graduate of the U. S. Military Academy at West Point, N. Y., holds the Distinguished Service Cross, Bronze Star Medal with Oak Leaf Cluster and the Purple Heart with two Oak Leaf Clusters.

ELDORADO TOWNSHIP HIGH SCHOOL FFA CHAPTER MEMBERS and some of their prize livestock are shown above. Upper left, Ronnie Wargel, son of Mr. and Mrs. V. W. Wargel, is shown with his Blue Ribbon Hampshire sow; upper right, Paul Plunkett, son of Mr. and Mrs. Howard Plunkett, is shown with his Grand Champion aged Jersey cow which calved twin heifer calves two days following the FFA show at which it topped top honors; lower left, Bob Bramlet, son of Mr. and Mrs. Sherman Bramlet is shown with one of his choice steers which sold at Market Day in National Stockyards for \$23.50 per cwt., plus a bonus price of \$5.00 for grading high choice; lower right, Jay Flanders, son of Mr. and Mrs. Harry Flanders is shown with a Blue Ribbon Angus sire, a Blue Ribbon winner. All of these students are members of the Eldorado high school FFA chapter and are enrolled in Vocational Agriculture under the supervision of H. C. Bishop, instructor. Mr. Bishop has consistently taught the value of improved livestock through proper selection of foundation animals, feeding balanced rations according to individual animal's size, age, sex and purpose, maintaining sanitary conditions and good health of all animals on the farm. The proof of the program is shown in the champion animals exhibited by members of the FFA under Mr. Bishop's supervision.

New Activities At Carrier Mills Grade School

Two new activities have been added to the program at Carrier Mills grade school Principal Delbert Waller has announced.

For the first time the grade school will publish a school newspaper and also for the first time there will be a student council organization.

Mrs. Joan DeWitt is faculty adviser for the school paper, as yet unnamed. The first issue is expected out this week and all students in the school will be invited to enter a contest to select a name for the paper. The one submitting the name selected will be awarded a season ticket to the basketball games.

The newspaper staff—Editor in chief, Lorna Dallas; news editor, Beverly Beavers; reporters, grade news, Marilyn Jamerson, club news, Carolyn Wyatt, sports, Margene Miller, special events, Charlotte Davis;

Feature editor, Candace Malone; circulation manager, L. C. Keel, circulation assistants, Judy Harris, Mary Rose Todd, Phyllis Black, press foreman, Larry Harris; press assistants, Audria Harris, Linda Pyle;

Art editor, Eddie White; illustrator, Kenneth Scott.

The pupils will have the complete responsibility of publishing the paper, including writing the articles, typing and operating the ditto machines.

Howard Street, seventh grade teacher, is student council adviser.

Members of the council—Sixth grade, Terry Elms and Marie Wiley;

Seventh grade, Mary Overstreet, Wanda Mitchell, Kay Flynn, Harold Prather, Donna Reid and Billy Smith;

Eighth grade, Charlotte Davis, Judy Harris, Linda Pyle, Lorna Dallas, Phyllis Black and Mary Todd.

The council has voted to undertake another first for the school—the publishing of a Year Book.

Good sweet corn has fresh, green husks. The kernels should be well-filled and plump. If not, the corn is too ripe or has been pulled too long.

DODGE INTRODUCES NEW 4-DOOR HARDTOP—One of the newest, most exciting automobiles to appear on the American motoring scene in recent years is the glamorous 1956 Dodge Four-Door Lancer hardtop. All of the youth and vigor of true hardtop styling has been skillfully combined with the comfort and convenience of the four-door sedan. While the car shown above is in the Custom Royal series, the same body style is being offered in the lower priced Royal and Coronet series. The new 1956 Dodge will be on display Friday at the B. W. Rude Motor Co., local dealer.

Rude to Introduce New 1956 Dodge Friday; Features Push-Button Driving

The new 1956 line of Dodge passenger cars will be introduced to the public Friday in the showrooms of the B. W. Rude Motor Co., local dealer.

Outstanding among many mechanical improvements is the new "Magic Touch" push-button drive selector which completely eliminates the necessity for any kind of gear-shift or drive control lever.

In the radically new body design for 1956, Dodge has carried the Forward Look into an even more dramatic form. Unique high-sweep rear fender tail fins lend an aircraft-like effect and mold the flavor of speed into every line of the car, giving it at the

same time a pronounced directional appearance.

New is the Four-Door Lancer by Dodge. Full-width rear doors provide easy access to the rear passenger compartment, while full side vision is assured by a unique design which allows the use of full rear door windows.

The new Four-Door Lancer hardtop is offered in the low-priced Coronet, as well as in the Royal and Custom Royal series.

Four separate series comprise the 1956 line of Dodge cars: Coronet, offering four-door sedan, club coupe, four-door Lancer hardtop, Lancer hardtop and Lancer convertible; Royal V-8, offering four-door sedan, four-door Lancer hardtop and Lancer hardtop; Custom Royal V-8 with four-door sedan, four-door Lancer hardtop, Lancer hardtop and Lancer convertible. Finally, a new Station Wagon line offers a wide choice of seven Suburban two-door and Sierra four-door models.

Both the Coronet and Suburban lines allow the customer a choice of Dodge "Get-Away Six" or Dodge V-8 engines in certain body types. Selections between Red Ram V-8 and Super Red Ram V-8 is also available in the Suburban and Sierra lines.

The new Dodge Super Red Ram V-8 engine has been upped to a total displacement of 315 cubic

inches, resulting in vastly increased power and torque. Horsepower is up to 218, while even more significant is the new "break-away" from standing start performance, resulting from the improved torque.

Dodge again offers an optional four-barrel carburetor with matching intake manifold, dual exhausts and a distributor with special spark-advance curve for those desiring even higher Super Red Ram V-8 engine output. Horsepower is 230.

Matching in its Forward Look concepts the "Magic-Touch" push-button gear selector, is the new Dodge Highway Hi-Fi, an automatic car record player, operating through the car radio. It gives 45 minutes to a full hour of uninterrupted music on each side of the 7-inch records. A choice of high fidelity classical and popular recordings and even recorded readings of selected subjects is available.

The Flair-Fashioned design which distinguished Dodge interiors last year has been carried forward in the 1956 models.

Body, structural and mechanical improvements include new power brakes, new safety door latches, new 12-volt electrical system, new Power Tip spark plugs, new headlights and new pull-type door handles among the most outstanding.

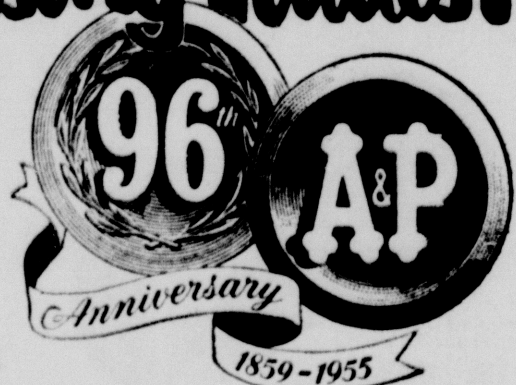

Three of North Carolina's seven principal mountain ranges bear Indian names: Unakas, Nantahals, and Cowees.

Warns Federal Aid To Schools Might Lead to Control

DE KALB, Ill. (AP)—Lt. Gov. John William Chapman warned today that federal aid might lead to federal control over education and said school problems "should be met at the local level."

Chapman said the Republican administration in Illinois has met

the "increased clamor for federal aid" by raising the state sales tax to finance increased aid to schools.

He said it took "courage" and "vision" for Gov. William G. Stratton to recommend the tax hike, and it was "to the credit" of legislators that they enacted it.

The pioneer housewife colored her threads for weaving with dyes made from the barks or roots of various plants.

Who Rides With Wyatt

by Will Henry

XXXIV

Craker had said that Brocius' posse had set out for the Babocomari section of the Whetstones, meaning to make its field camp at Iron Springs. That's Mescal Springs on today's maps.

A preliminary look at the grove around the springs from up on a spur of the Whetstones to the north had shown not so much as a horsefly moving down there.

Wyatt dismounted, looped Red's reins over his left forearm, leaving both hands free. He took a last look at the grove and at the brushy gully flanking it on the Whetstone side. He could not get the smell of trouble out of his nose.

He was into the trees, then, close enough to see the splash and shimmer of the spring water in its shallow granite basin.

The man on his right, farther, away from him, came up from back of a belly-high boulder, winging away with a rifle. It was Pete Spence.

The one on his left, no more than six long strides away, rose up out of the gully brush with a double-barreled shotgun at his shoulder and blasting. This one was Curly Bill Brocius.

Pete Spence was forgotten. Wyatt stood like a rock, feeling the whistle and stab of Curly's charges cut through his coat and vest, bringing their murderous pellets within the last inch of tearing him apart—and yet, miraculously, missing him!

Both of Wyatt's buckloads, nine chilled shot to the charge, took Curly Bill in the chest. He went down like a rag doll, the whole left side of his rib-cage blown away.

Spence had fired three times, all wild misses. Now, with Curly Bill dead and Wyatt swinging on him, Pete broke and ran.

Wyatt flashed three snap shots

from the hip. He heard him yell, knew he had hit him. At the same time, he emptied the rest of the loads in both revolvers at the other rustlers, now dodging for better cover throughout the grove. He heard one more agonized yell, figured he'd winged another of them by pure chance.

But there were seven men back in those trees, not counting Pete, and none of them were green hands. They got over their initial jolt as Wyatt, all guns empty and knowing he was a fine, fat target caught in the wide open, wheeled and ran for Big Red. By the time he grabbed and boarded the nervous gelding, the fire was coming out of that grove thick as sleet.

Wyatt was nicked once; his horse twice.

It was high time to break off the Battle of Iron Springs.

In that they had been driven off from the spring and had to leave the field without serving a one of their warrants, at least on a live rustler, you could call it a defeat.

Wyatt knew better. He had lost a battle, only. Curly Bill Brocius was dead.

Pima Sheriff Bob Paul, having delayed as long as the safety of his job would let him, climbed down off the Benson stage in Tombstone just after 7 o'clock the evening of the 23rd. By 7:30 Johnny Behan had the long-awaited Pima County warrant for the murder of Frank Stilwell. At 7:45, Ringo and his posse rode in to report a blank on their sweep of the east valley. The news of that Pima County warrant put the starch back into them. "We've got him!" crowed Ringo.

"Yes," said Johnny Behan, "we sure have. When Brocius and his boys get back, we'll make up one big posse and take out soon as there's light tomorrow."

"You mean Curly Bill Brocius? You deputized that outlaw as a legal part of your regular posse?"

"Not only him, but John Ringo, here, as well."

"Are you crazy, Behan?" Bob Paul looked around the room, first at Johnny Behan and his big scowl, then at Johnny Ringo and his wild grin.

"Likely I'll be going then," he nodded softly. "For any fool can plainly see you've caught and killed your man already."

He had just reached the door, when it burst open to admit Pete Spence. Pete was white-faced, showing the yellows of his eyes, half-staggering with exhaustion. He didn't see Bob Paul, who stepped quickly behind the door.

"They got Curly!" he blurted. "Phin Clanton's got a slug in his leg and I got this one in my arm."

"Shut your idiot mouth!" snarled Ringo. "Slow down, make sense. Who got Curly?"

"Wyatt! Him and that shotgun of his. Both barrels."

"Curly's dead..." Johnny Behan barely breathed it.

"Dead!" Pete was still seeing it, six hours and 40 miles after. "You've got to protect me! I'm done with hunting him. I ain't going out no more, you hear? Gimme a cell, anything! Just so he can't get at me like he done Curly!"

"It's what you want, my friend," Bob Paul said, stepping quietly up behind him, "it's what you'll get. You're under arrest, Pete."

"Wait a minute!" Behan was on his feet with the challenge. Putting Spence safe away in the Fremont jail where he could be turned loose next day, and letting Bob Paul have him to tote off to Tucson, were two mighty different colored cayuses.

"As long as we're playing warrants," nodded Paul, "try this one on for size." He threw the document on Behan's desk, eying him flatly. "For the murder of Morgan Earp. Good in any county in Arizona."

(To Be Continued)

NEWSPAPER WEEK The Big Window

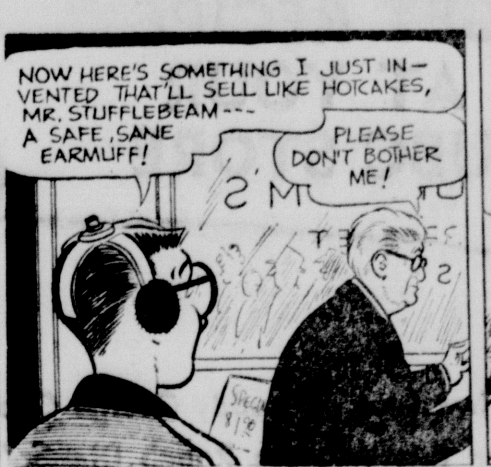

From Pakistan to Peru, the average American home is the symbol of luxurious living. Even such a frivolous U. S. toy as an electric train was the sensation of a foreign trade fair recently. Without the tremendous main bearing of the American press with its reports on what's new and its advertising to show the way to attaining new things, our standard of living would never have attained heights that make it the envy of the world.
